You can order a canvas or folio or framed piece with your graduates portrait. Just look at Specialty Items on my website and contact me.

How to Sign up for Graduation Portraits

I will be available to take portraits on July 17th and 18th, from 11am to 5pm, on the school's front lawn.

There will be two photographers.

Click on one of the Sign-up Genius links under Bronxville High on the Home Page.

There is a link for Friday and Saturday, choose which you want.

Carefully browse the time slots and sign up.

This form explains how I take portraits of the graduates.. If you want both a close-up and a full length, just ask me to take both formats when you come for photos. Automatically, I will take a close-up (3/4 length) of the guys and a full length of the gals. All cars and people caught in the background are removed.

Form 2 is the Order Form. Fill it out on your computer and then print out a copy for your records and a copy for me. (Move your cursor on the top to bring out the printing tool.)

Bring your form to the photo session with a check.

Paying for Graduation Portraits

If you have an account with PayPal, you can login and use my username, junehb13, to pay.

However, there is a 3% charge so you must figure that amount on your total and add it in.

You can also bring a check to the photo session or mail me your form and check.

If you decide last minute to have portraits, you can still come to the school and take them.

You may have to wait but we will fit you in.
