

Ordering Tips

You can ask me to crop a file in a different way. Write me a note and explain what you want.

You can ask me to print a file in Black and White. There is a one time fee of \$15.00 for Black and White photos. Please add this on your form.

You can purchase files instead of ordering prints. Contact me and I will send you the fee schedule. If you would like to print a large quantity of photos and maybe a specialty item as well, it is worth buying the files. Otherwise, it is an expensive way to go.

Most portraits need retouching. Even if there is a small blemish, when the file is enlarged, the blemish is enlarged as well. Feel free to call me and ask me if a file needs retouching.

The deadline for ordering portraits is

December 15
